

Septian Yudhistira

IT

Hi, I'm Septian Yudhistira, 22 years old, born in Bandung. I'm eager to learn and grow, always committed to giving my best in every opportunity.

I am a highly motivated and dedicated individual with a passion for Information and technology. With 3 years of experience in IT company, I have developed a strong foundation in IT Management, which I believe make me a valuable asset to any team or organization.
